

ARE EXPECTING BIG RUSH

Postoffice Employees Must Work Longer Hours Next Week.

To most people Christmas means at least one day of rest from their usual work. But to Columbia Postoffice employees it means longer hours and increased work for three or four days before and after the big holiday and perhaps a few hours on Christmas itself. To handle the rush, two substitutes will work in the office but the number of carriers will not be increased. One thing which will simplify matters in the local office is that the heaviest of the Christmas mail will partly be followed by the fact that the majority of students will spend the holidays at home and will not be getting mail through the Columbia office.

There will be one delivery on Christmas Day and one on New Year's. These will be the only changes that will be made.

We are expecting the biggest rush on a Monday, Wednesday and Thursday, said an employee today. Many people will do their shopping on Saturday and mail their gifts on Monday.

Mail delivery on Monday, Tuesday and Wednesday will be light. On Thursday, Friday and Saturday, mail delivery will be heavy. Many people will do their shopping on Thursday and mail their gifts on Friday.

ARTCRAFT TOYS EXHIBITED

Classes Display Playthings Which They Make.

Dolls of various nationalities, queer little stenciled table runners, sets were displayed in the play building yesterday. The opening of a new toy shop, although it is an exhibit of the craft classes in department.

Toys were prominent. On tables

and in glass cases there were toys, and on the floor behind you jumping-jacks looked up at you. Many of the dolls were made entirely of tags, others with a twig foundation and still others with wire. One effective brownie was composed merely of twigs and brown stockings. A rag football player held a little leather football under his arm; a wooden lion stood ready to leap on the unsuspecting; a duck rode around the table on rollers; a wire clown drew a wheelbarrow, and a wooden rabbit balanced himself with a putty weight. In the corner one of the students operated a hand loom with which she was making a bag. On another table painted luncheon sets were displayed.

HOSPITAL TREATS MANY

Admitted 1,036 Patients During Fiscal Year of 1920.

During the year from December 1, 1919, to November 30, 1920, the number of patients admitted to the different wards of Parker Memorial Hospital was 1,036. These patients are known as inpatients, being attended in the hospital. There were 612 students admitted as inpatients, 120 operations being performed on students.

In the outpatient service, which is made up exclusively of students, 6,166 calls have been made. During the year 425 complete examinations have been made, 1,071 small-pox vaccinations and 76 typhoid vaccinations have been given.

The proportion of visits of the men to the women has been a little greater than the ratio of University attendance, which is two men students to each woman student.

To Boone County Trust Company. The will of Joseph W. Langston provides that one-third of his estate shall go to the Boone County Trust Company, as trustee for his granddaughter, Cordelia Turner, not to the Boone County National Bank as recently stated in the Missourian.

MANY HAVE NOT PAID TAXES

After January 1 a Penalty of 1 Per Cent Is Collected.

About 30 per cent of the taxpayers in Boone County have paid this year's taxes, according to M. G. Proctor, county collector. Somewhere near the same per cent have paid their city taxes.

There are fourteen more days in which taxes can be paid. After January 1 a penalty of 1 per cent a month will be collected.

Thirteen Win Football Emblem.

Thirteen men who made the football team of the Columbia High School are being initiated today. The following received their C's this morning: William Stevenson, Bob Cassidy, Cecil Coggins, Cyril Coggins, James Armstrong, Loral Platt, Reginal Underhill, Don Heibel, George Woodyorth, Maurice Wigham, Lloyd Stewart, Howard Everhart and Forest Wilhite. The initiation will be closed with a C men's banquet in the high school cafeteria this evening.

Residence Lots for Sale

Would you buy a nice, well located building lot now? Or, will you wait until spring opens up and pay more money? Building will be cheaper next season, and somebody is going to have to build or do without a home. I have several choice lots which I am willing to sell very cheap if sold before the first of the year. J. A. Stewart, Exchange National Bank Building.

Land and Live Stock

-AT-

AUCTION

J. C. Hall and Paul Sexton, administrators of the estate of J. S. Sexton, deceased, will on Tuesday, December 28, 1920, in Rocheport, Mo., sell to the highest bidder all the farm lands, live stock and other personal property belonging to said estate. The real estate consists of two good farms, a house and lot in Rocheport and several vacant lots. One farm of 180 acres lying just across the creek from Rocheport in Howard County, most of this land is very fine bottom and grows alfalfa successfully. The State Highway runs through it. The other farm contains 120 acres, and lies about 5 miles northeast of Rocheport in Boone County, right on the main road. The personal property consists of about 50 head of very choice pure-bred Angus cattle, work horses, hogs, a good line of farm implements and feed of every kind, including a lot of fine baled alfalfa hay grown on the farm, timothy hay, 2000 bushels of corn, clover seed, wheat, oats, etc.

Here is an opportunity of a lifetime; as more than \$50,000 worth of property must go under the hammer without protection of any kind, in three hours' time. The real estate will be sold in the forenoon. The personal property in the afternoon, lunch at noon. Very liberal terms.
